Vol 42.

Extract from the diary of the Proceedings of Mr. John Peter Grant Commissioner for the adjustment of the debts of His Highness the Rajah of Mysore dated 30th. April 1845.

Sidda Bhoyee, one of the two claimants who joined in the Petition. No. 51, appeared, and was examined as to the particulars of his claim. His evidence recorded in canarese, and his signature thereto affixed. Claimant confirms generally the contents of the above petition and gives further particulars relative to the matter of this claim set up in that petition.

The two claimants Sidda bhoyee and Hamma Bhoyee in their petition. No. 51 state that they were employed in His Highness the Raja's Cutcha on the undermentioned works.

Pervastan of Lutchmeenarainswamy in the Fort of Mysore.

2 Stone work of Lutchmee teerta Cutta.

3 Road work.

4 Hire for the work performed to the Lingambooddy Tank.

5 Work of Devamboodhy Tank

6 Do. of a Devastan at Moogoor

7 Do. of the Wonna devee Davestan at Socillay.

In reply to a reference to the Commissioner of Mysore, the Secretary to that Commissioner in his letter No. 174, recorded on the 26th February last, classes the works entered above as Nos. 1, 2, 5, and 7 as lying against the Mysore State, and those entered as Nos. 4 and 6 as personal claims against the Raja. The work entered as No. 3, having been in the Petition inserted as connected with the work entered as No. 2, was not classed. Siddalbhoyee in his evidence above recorded distinguishes this as a separate work, and calls it the Road work of Chettanahully. He explains that the work entered as No. 4 is the work of laying or constructing the Stones of the Singamboodhy Tank, for which a similiar claim advanced

by

Rama Bhoyee and others in their Petition No. 72 has been already rejected on the 29th Ultimo.

Sidda Bhoyee adds that a certain sum, being the difference between the price promised and the price allowed for Padegoondooloo, or small stones, supplied to the Gouramboodhy Tank, is also due to himself and certain others. This last claim is the same as the one advanced by Putna Girria Bhoyee and others in their Petition No. 71, which has been filed as Case No. 57.

Ordered

That the claim of Sidda Bhoyee and Hunma-Bhoyee set up in the Petition No. 51, so far as it relates to the arrears of the Devastan of Lutchmeenaraim Swamy, of Lutchmee teerta Cutta, of Devamboodhy tank and of Vanna Davee Devastan, be summarily rejected, as not coming within the scope of this Commission; that the claim for pay for constructing or laying the stones to the Lingamboodhy tank be rejected, upon the grounds fully explained in the order recorded on the 29th Ultimo upon the Petition No. 72; that a letter be written to the Commissioner of Mysore, with an extract of this entry from the Diary of

Proceedings

Proceedings, and the original Petition and depo-
sitions above mentioned, for that Commissioner's
disposal of the Claims held to lie against the
Mysore State; that an extract of this entry, with
a Canarese translation of the same, be furnished
to the Vakeels of His Highness: and that an
Extract of this entry, with a Canarese transla-
tion of the same, as well as an Extract and
translation of the entry containing the final
order on the Petition No. 72 rejected on the
29th Ultimo be given to Sidda Bhoyee.

No 195

Rama Bhayee, son of Gerea Bhayee and Veenaculloo Dofsa Bhayee Vo en presented a petition No 113 to the Court of Mr Commissioner Grant, in the month of February 1845, for the recovery of arrears alleged to be due to them on account of Stone and Mud works executed to the Lutchmenteertha Cuttay, as far as Hoonsawady, the repairs of Manantoddy road and the Shreneduara Temple at Mysore.

2 The Complainant Veenaculloo Dofsa Bhayee, in his deposition given before Mr Grant states, that the works in question were executed during the administration of the Country by His Highness the Rajah. That he does not recollect the month year or amount due. That the accounts of this work, which are in the Mysore Talook Cutcherry, may be send for and examined, and the amount recovered for him.

They

3 They submitted three Petitions to the Commissioners Roozoor Nos. 405-658 and 136, in which they represent that 20,000 Rupees are due to them in arrears, on account of the said works; and request that their claim may be adjusted speedily

4 Nuggurra Chenna Bhoyee, Yerra Bhoyee and Rama Bhoyee son of Gerea Bhoyee Nos. in their depositions given in the Roozoor state, that they do not know what amount of arrears is due to them, or the nature of the work, or even the year in which the works were executed; but that the works were done through the Mysore Talook Cutcherry; and beg that they may be paid according to the Sirkar accounts.-

5 Venkatadaiah, the Amil of Mysore in his Arzees to the Superintendent Nos. 212-227 and 255 states, that on account of the works performed by the Claimants from the year Bahoodanna or 1818 upto 18th October 1831, a balance of Canteray Pags. 1065-2-9 remained in arrears and was

paid

paid in full on the 7th of September 1839, through the Superintt Cutcherry, and a Moochelka taken from the Mocktadar Veenaculloo Dossa Bhayee and Rama Bhayee son of Gerea Bhayee Vca to the effect, that they would be answerable should any dispute arise infuture.- We forwards the said Moochelka, the Receipt taken for the payment made, and the detailed account of the same, which were found amongst the records.-

On examining the Canarese accounts, consisting of 14 kunds, which accompanied the Arzee, it appears that works were executed to Lutchmenteertha Cuttay and Royanakerray Vca from Dahoodannea or 1818/19 to Durvajettoo or 1827/28, for C Pags 6,751-9-3, whereof the payments made annually amount to C Pags 5,686-6-10, leaving a balance C Pags 1065-2-9, which was paid in full in the year 1839 in the Superintt Cutcherry, according to the Moochilka given by the Mudders.- The Claimants themselves admit also the Receipt.-

On

On taking into consideration the entries &c^a in the accounts enumerated above, we find that a sum of C Pag^s 1065–2–9 remained due on account of all the works done by the Claimants upto 18th October 1831 under the orders of the Talook Cutcherry, which was paid in full in the month of September 1839 as per receipt granted. Consequently neither the whole nor a part of the amount, as represented in the Aryee, is due to them.–

Moreover we find that Rama Bhoyee and Dofsa Bhoyee &c^a executed a Moochilka on the 6^th of September 1838, making themselves responsible if any person preferred a complaint on account of this very arrears.– Hence the claim put in by Complainants is inadmissible.–

Dated 22^nd March 1848.
